

Thank You for Building on Our Blessings

I wish to thank you, a member of the Orchard Lake Schools family, whether near or far, for your warm welcome and support of my Installation as the fourth Chancellor on October 3, 2017 at the Votive Mass of St. John Paul II in his Archdiocesan Shrine. I am here to work with you all for the good of this great institution and am so grateful for your dedication to this fine spiritual, educational and cultural community.

Since its founding 132-years ago, the tradition has prepared:

- Nearly 2,000 priests for the Church, for service to the Catholic people in dioceses in the U.S. and around the world.
- Lay people who serve academia and spread the word of God.
- Thousands of young men to venture out as Men of St. Mary's to help make the world a better place.
- Us, today through The Polish Mission, to serve Poland and Polonia, preserving the culture and traditions of our ancestors.
- Orchard Lake Schools to grow and prosper thanks to the wisdom, dedication and hard work of its employees.

I sincerely thank you for continuing to build on the blessings of the Orchard Lake Schools yesterday, today and for years to come.

Very Reverend Canon Mirosław K. Król, M.A., S.T.L.
Chancellor, Orchard Lake Schools
